

Penn's Music teacher (Mr. Penson)

Penn's Music teacher was a really good singer and a really nice guy but most of the day he just drank coffee. One day Penn was in music class and instead of snacks he gave them cups of coffee. They all drank it and it was terrible. On his way out Penn stopped to see what Mr. Penson did when he didn't have class. He looked into Mr. Penson's office. He couldn't believe his eyes! He saw Mr. Penson singing and dancing! At that moment Mr. Penson saw him and yelled, "OUT!" That scared Penn to death. He ran as fast as he could back to his classroom. At 3:00 when school ended Mr. Penson came into the room. Penn was still there working on homework. For some strange reason he asked Penn to dance with him. Then they went into Mr. Penson's

office. Penn liked the music and started dancing to it. From then on Mr. Penson and Penn have been friends. That is how they met.
