

This is Penny Pen's old cat from Colledge.

She is special because, she can meow at a top pitch and has her name tattooed on the back of her head to. Right then Pen knew she was perfect at the 1st glimpse. Then one day pen thought the beloved cat had died but she was really sleeping so pen buried her 2 years later she bust out of the coffin and has returned to her owner now they can live together in harmony like the good old days.
