

The story of pup penn

How pup penn found penn. The day penneta the daughter wanted a pup they went to the store. They found so many pup's. penneta looked at all of them she looked at all of them one at a time then she found it she found out it was a he. So she named him pup penn. So the next they went to the store to get a food and a water bowl and they then while we were In the line they found pen. So they went to penn's house. Penn played with pupenn so pupenn got Very close to him. So that is how they got pupenn. That is also how penn and pupenn met each other.
