

Penn's soccer team

Skylar Gindlesperger

I'm Penn and this is my soccer team. I joined up for travel soccer last month and we had tryouts. I met with each teammate after tryouts. They are good players. Here's their names: Penelope is # 5 and she has blonde hair, Pipers is # 7 and he's our team clown, and Packy is # 19 and he's our goalkeeper and the opposite of Pipers. We are close friends and have great teamwork. We even came up with a team name: Triple P's Picky Penguin Players. Pipers came up with it. This is a perfect team for me!!
